**Notes from the Principal**

What a fabulous day we had for the Centenary Celebrations!

Our students put on a wonderful performance singing the National Anthem and songs. Every student sang out loud and clear. Job well done!

A special thank you to the Centenary Committee for putting so much time and energy into ensuring the event went off without a hitch and was truly successful.

The Maryvale State School P&C worked tirelessly on the BBQ producing very tasty burgers. Fantastic job!

A Teaching and Learning audit was recently conducted at our school, which showed that there has been significant improvements in all 8 domains of the audit. Please feel free to access the results through our Website.

Woolworths have commenced their **Earn and Learn** program for 2013. Maryvale State School has collection boxes at the school and also at Warwick Woolworths.

On Thursday, May 23rd our students have been invited to attend Under 8’s at Karara and Over 8’s at Wheatvale, commencing at 10am. At present we are looking into the hire of a bus so that all students can participate.

**Student of the Week**

*Week 4 Term 2*

Back Row L-R Jack and Rebekkah
Front Row L-R Daishawn and Peter
During the last two weeks at school, the students in Prep to Y2 have been doing fractions in Maths. The students ventured outside to draw on the tiled area with chalk the different size fractions. The children used different chalk to emphasise the different fraction sizes.

**Morning Exercises**

Since the beginning of this term all school personal have been participating in *The Get Active* program. All students and staff actively participate in three 5 minute exercise rotations, three days a week. Here some photos of the students and staff joining in.

**Parents**

Please note that some children are running low on glue, and coloured pencils. Please ask your child/ren if they require any of the above mentioned items.

It would be appreciated if you find any home readers from Prep-Y2 at your place, that they be retuned to school.
