From the Principal's Desk

Dear Parents,

Quadrennial School Review

Next term we are completing our Quadrennial School Review which is a plan for our school's priorities over the next 4 years. We hope to get this underway week 3, Term 3. Parents are most welcome to be part of the team to review our school's priorities. If you are interested, could you please let me know early Term 3.

Sports Day

Friday the 26 July will be our Tannymorel sports carnival which will be held at Warwick Christian College Oval. Students will need to be there by 8:30am.

Friday the 2 August will be our Small Schools Sports day which will be held at Hamilton Oval.

Parents are reminded that these are normal school days and your child's attendance is expected, unless your child is ill.

Parent Teacher Contact

Just a reminder, that if you have a concern, issue or suggestion relating to your Child's education, it is important to bring this to our attention.

Attendance matters

When you are reviewing your child's report card, take a moment to consider your child's attendance rate. Research shows that students who have good attendance are more likely to achieve high results at school. If students aren't at school or don't stay the whole day, they are missing valuable lessons which will help them to achieve to their full potential.

Keep a watch on our school these holidays. Parents and students can help take care of our school by reporting any suspicious after-hours activity to School Watch on 13 17 88. By keeping an eye out we can work together to create a safer school community and help to reduce vandalism, theft and arson in our school.

If you see something suspicious, please don't intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter.

Happy Holidays

I would like to wish you all a very relaxing and safe holiday. Look forward to seeing you all again in term 3.

Student Award Winners

Week 9

Back Row- Bree and Jorja

Front Row—Riley and Peter

These two students have achieved another level in their sight words. Llewly now knows all his orange words and Peter knows his all red words. Great going and keep up the good work. Llewly also achieved another bronze certificate in Athletics.

A Big Thank You

St Rita's College for Clayfield Orchestra Visit.

On Monday the orchestra from St Rita's College in Clayfield visited our school for a short presentation. The band played tunes from the Batman theme to the latest Katy Perry song.

The 51 person band showed us their different instruments and what notes they can reach. Hopefully, next time when they visit the weather will be a little warmer.

We would like to thank all the people who placed their Earn and Learn points into our green box outside Woolworths in Warwick. Your contributions will enable the school to obtain extra school resources.

School Excursion to Pringle Cottage

In SOSE, we have been learning about the olden days items. On Thursday, 13th of June, Ms Bucknell took the oldest four students in the school to Pringle Cottage in Warwick. To see how the museum displayed their plaques. The cottage was interesting in how they displayed their artefacts. I had the impression that I felt like I was there in the olden times. It was a valuable excursion.

Our trip to Pringle Cottage in Warwick was very good. We went there on the 13/06.13. When we went there we looked at a lot of old stuff like cars that are falling apart. The other students and I looked at how hard school was in the olden days. We noticed what little room there was for the students in those days. I enjoyed my day.

Everyone enjoyed watching the big Gong being struck.

With the school holidays fast approaching, it is time to remind students of safety around the house and when on the road.

Students when walking home from school it is best to walk on the side of the road and NOT on the road. We would like to see all students back at school on the 8th of July, 2013.
