Dear Parents

Congratulations to the students of Maryvale for their excellent behaviour while at Under and Over 8’s. I am sure all students, who participated, enjoyed the day and the opportunity to meet students from other schools. Those students who participated in Over 8’s also had the opportunity to meet Mrs Rob from Warwick State High School and to ask her questions.

Did you know?
Hearing your child read, hearing their spelling, showing an interest in their learning day at school has a proven record of supporting positive attitudes towards learning and school. It just takes 10 minutes a day. It also gives you an opportunity to have some one-on-one with each of your children or child; good bonding time.

Prep-Year 2 winners-Kris and Kerry. Kris received his award for a improved attitude to his schoolwork. Kerry was awarded Student of the Week for his improved classroom behaviour.

Year 3-7 Winner
Caelan Gray was awarded Student of the Week for excelling in Maths.

This week saw one of the Prep students take home a swag of awards. Abby achieved her Red and Blue sight words in one week as well as taking out the Student of the Week award. Keep up the great work Abby.
Under 8’s Day at Karara State School

Students and Ms Gregory with Miss Pike and Mrs Hill attended the under 8’s Day at Karara on Thursday the 23rd of May. The students had the opportunity to interact with students of their own age participating in a variety of activities. All students need to be congratulated on their good behaviour at the event.
