On Tuesday we were privileged to have Lennie Currie from the NRL come to work with our students on nutrition and physical skills. Everyone had a wonderful time learning new games and being involved in the activities.

Teacher Introduction: Ms Fay Gregory

I am enjoyed teaching the Prep to Year 2 students here at Maryvale State School. I have moved from Western Queensland to teach at Maryvale. In my spare time I enjoy travelling, dancing and playing golf. If any parent/s have any concerns about their child's education in my class, please do not hesitate in contacting me. Before or after school is the preferred time.

Prep to Y2 students have now started homework and one of the exercises is Sight Words. I strongly encourage someone to sit with the child and hear their sight words as this will benefit them with their reading in the future.

Students reflect on the visit from Mr Currie of the NRL

On the 19th of February 2013, Mr Currie the Australian NRL representative /coach visited Maryvale State School to educate us slightly on eating healthy and rugby league. We did many things in this order: we eat well, play well, stay well. William

On the 19th of February 2013, Mr Currie from the NRL came to Maryvale State School. He did lots of fun things with us. My two favourite things were the tackle bag and the mini football game. My team was the Broncos. We also did a game called Hamburger and he showed us how to hold a football, At the beginning of the day he showed us a video of eat well, stay well, play well. It said to have two pieces of fruit and five vegetables per day. I had a really good day. Caelan

Mr Currie taught NRL.. I learnt how to play football. I like football and Mr Currie. I had a good day and I was happy because of Mr Currie's visit. Jack.
