AUSTRALIAN EARLY DEVELOPMENT CENSUS

Building a national picture of child health

From May 2024, our school, along with thousands of others across the country, will participate in the Australian Early Development Census (AEDC).

The AEDC is a teacher-completed census (similar to a questionnaire) which provides a comprehensive picture of how children have developed by the time they start their first year of full-time school.

The AEDC is an Australian Government Initiative and is completed nationally every three years. Participation in the AEDC is voluntary, however the AEDC relies on all schools with children in their first year of full-time school participating in the collection. Parents/carers don't need to take any action unless they choose not to include their children in the census.

To find out more about the AEDC and how it is being used to help children and families visit: www.aedc.gov.au.

If you have any questions, you can contact the principal by person or email at: principal@maryvaless.eq.edu.au

No Hat No Play

I have noticed some of our students come to school without their hat, they always have a reason their hat is not needed or who is to blame for them not having their hat. I have requested ALL staff from this week on - work with me to reinforce the need for all students to be wearing their hat - No matter where we intend playing or staying....

- When we enter the school grounds - we wear our hat.
- When we leave the classroom for breaks - we wear our hat.

NO HAT NO PLAY - the school does not have borrow hats.

Dear parents, at Maryvale State School we are encouraging our students to bring any concerns that they may be experiencing during school hours to the teaching staff immediately so we can deal with the issues as they arise.

We also encourage parents to check in with us and have a chat about any concerns you may have, before they become overly complicated. It is important your child knows that we communicate with each other and will work together to resolve any issues that may arise.

SCHOOL HOURS

Parents are reminded that children are not to be at school before 8:30am and to be collected at 3pm unless prior arrangements have been made with the school.

Late arrivals and early departures must be signed in and out at the classroom.

Term 2: Monday 15th April— Friday 21st June

Term 3: Monday 8th July— Friday 13th September

Term 4: Monday 30th September—Friday 13th December

Attendance

Please let our staff know if your child is to be absent and the reason for the absence by either sending a text message or calling the school on 0475832540. Reasons may include medical/dental/mental health appointment, funeral or sick. Unfortunately, reasons such as leisure activities, shopping, visiting friends and relatives, celebrating birthdays, fishing and truancy are likely to be categories as an unauthorised absence. While our focus is to have every student at school every day to maximise their learning, if they are not well, they should not be at school.
